Available distance : 1500m --3000m

Applicable products

Spot reconnaissance, coastal patrol
Traffic lighting, field operations
Criminal arrest, law and order security

Disaster relief and Rescue,
Engineering maintenance
Camping Fishing, Travel,Home

Compare:

- High luminous flux: 35W xenon lamp can offer 3200Lm, three times as that of 55W halogen lamp(1000Lm)
 - Long life time: lighten up by active xenon gas, increase the bulb life to 3000 hours, ten times of halogen lamp(300 hours)
-
